

Test Case Document

Test Case 1: Verify Google Search Shows Infinite Campus Career Page as First Result

Test Case # : TC_01

Description: Validate that a Google search shows the Infinite Campus career page as the first result.

Pre-condition: Google is accessible, and the user has an active internet connection.

Steps:

1. Open a web browser.
2. Navigate to www.google.com.
3. Type "Infinite Campus career page" in the search bar and hit enter.
4. Observe the search results.

Expected Result: The Infinite Campus career page should appear as the first result.

Test Case 2: Verify Clicking the First Google Search Result Opens the Infinite Campus Career Page

Test Case #: TC_02

Description: Validate that clicking on the first result opens the Infinite Campus career page.

Pre-condition: Infinite Campus career page appears as the first result in a Google search.

Steps:

1. Follow steps 1-4 from TC_01.
2. Click on the first search result.
3. Verify the page loads successfully.

Expected Result: The Infinite Campus career page opens, showing at least one "View Open Positions" button.

Test Case 3: Verify Clicking the “View Open Positions” Button Opens a New Tab with Job Listings

Test Case ID: TC_03

Description: Validate that clicking the “View Open Positions” button opens a new tab displaying the current job listings.

Pre-condition: The Infinite Campus career page is loaded, and the "View Open Positions" button is visible.

Steps:

1. Follow steps 1-3 from TC_02 to load the Infinite Campus career page.
2. Identify the "View Open Positions" button.
3. Click the first "View Open Positions" button.
4. Verify a new tab opens showing current job listings.

Expected Result: A new browser tab opens with a listing of current job openings.
